### 137 Very Good, Official DHIA 137 Registered Holsteins Sell Under Cover

**NOTE:** The Grooters family have been involved in producing high quality registered Holsteins for three generations. Now David, Linda and their family have decided to discontinue their dairy operation and sell the following at auction. Mid-American Auction Co. is very pleased to be selected to conduct the Grooters' registered dispersion. This dispersion presents an excellent opportunity to purchase well bred, home-raised, beautifully uddered young herd additions with superior potential. Current BAA 107.3 with 5 excellent and 20 very good cows. Over the years the Grooters have produced 25+ excellent and countless very good cows. The Grooters' children have all been involved in 4H showing in various classes at both the Lincoln County and state fairs. They have shown the Senior Yearling Champion at the Lincoln County Fair who went on to be 2nd in Class at the MN State Fair. They also had the overall champion at the 2020 Lincoln County Fair who then placed 3rd in Class at the MN State Fair. They showed Valley who was 4x Champion at the Lincoln County Fair.

This herd has been on test for over 60 years with current official DHIA records indicating a herd average of 2X 20,692 milk, 3.8% 793 fat and 3.1% 643 protein. SCC averages below 200,000. Several cows milking over 100 pounds per day. No TMR, ration primarily consisting of home-raised feeds. Several recently fresh or due soon. This herd has never been pushed for production. The cows are milked in a stanchion facility and are switched and let out after milking making them easily transitioned to any type milking arrangement. Great feet and legs. This herd has been exclusively artificially bred for over 50 years using leading service sires, including but not limited to: Corvette, King Boy, McCutchen, Diamond Back, Braxton, Atwood, Gold Chip, Bradnick, Dempsey, Doc, Hanley, Hanans, Undenied, On Point, Hot Line, and the list goes on. Excellent herd health program in place with mature females receiving Virashield 6 and Lepto. Younger heifers receive Virashield 6, Vision 7, Enforce 3 and One Shot. Dry cows receive Scour Boss 9, Spectro Mass & Orbiseal at dry off. All are Bangs vaccinated. If you are in need of hard to find home-raised registered Holsteins with several show prospect and project heifers, please mark this date on your calendar and make plans now to attend the Grooters dispersion. For your catalog please phone (320) 760-2979 or see online at [www.midamericanauctioninc.com](http://www.midamericanauctioninc.com). Prior inspection welcome by appointment.
